Vision for Health

A nation working together for better health.

Mission of Ministry of Health

The mission of the Ministry of Health is to lead and work in partnership:

- i. to facilitate and support the people to:
 - attain fully their potential in health
 - appreciate health as a valuable asset
 - take individual responsibility and positive action for their health

- ii. to ensure a high quality health system, that is:
 - customer centred
 - equitable
 - affordable
 - efficient
 - technologically appropriate
 - environmentally adaptable
 - innovative

- iii. with emphasis on:
 - professionalism, caring and teamwork value
 - respect for human dignity
 - community participation

**Thrust Four of 10MP :
To Improve The Standard and
Sustainability of Quality of Life**

**Transforming Healthcare To Improve
Quality And Provide Universal Access**

Ensuring the health and well-being of the *Rakyat* is essential for the achievements of Vision 2020 in line with the National Missions Thrust in particular Thrust Four which is 'To improve the standard and sustainability of quality of life'. With the commencement of the 10th Malaysia Plan in 2011, the Government of Malaysia plans to reform the healthcare delivery system with a focus on four key areas :

- Transforming delivery of the healthcare system;
- Increasing quality, capacity and coverage of the healthcare infrastructure;
- Shifting towards wellness and disease prevention, rather than treatment; and
- Increasing the quality of human resource for health.
