Indian Heart Rhythm Society
Namaskar!

It is our great pleasure to invite you to participate in the 7th Asia Pacific Heart Rhythm Society Scientific Session (APHRS 2014) scheduled to take place in New Delhi, India, from October 29 to November 1, 2014. We, in the effervescent spirit of India, warmly welcome you all to APHRS 2014!

Asia Pacific Heart Rhythm Society has been hosting these conferences to uphold excellence and advancement in the diagnosis and treatment of patients with heart rhythm disorders, since 2008. The primary objective of these conferences is to provide opportunities to exchange scientific, medical and technological information among physicians, researchers and other partakers involved in the fields of arrhythmia and electrophysiology from across the world. APHRS 2014 will provide a platform for them to come together and contribute in enhancing international academic exchange and development in this field.

We await the presence of each delegate to share the light of knowledge and experience the extravaganza of Indian diversity.

Warm Regards,

Mohan Nair

Participants are invited to submit abstracts for the conference that will be published in the journal of Arrhythmia. Submissions covering all topics related to cardiac rhythm including basic and clinical researches, and interesting case reports and series are welcome. Presenters are allowed to submit more than one abstract. 6 abstracts will be selected to receive either Young Investigator Award, or Best Paper Award.

Abstract submission should be done on-line at online submission system; you will be given detailed instructions on how to proceed. All free paper presenters are required to register with the conference for presenting their work. Each abstract can be submitted only once. The same abstract cannot be submitted for consideration in different award prize/free paper categories. The indication of the preferable presentation type (oral presentation/poster presentation) is required. Abstracts must be written in English. The content should include: i) Background & Objectives, ii) Methods, iii) Results and iv) Conclusion. Please clearly type the title of the abstract, author name(s), institutions name(s), and country of origin at the top of the abstract. The name of the presenting author should be underlined. The abstract should not exceed 250 words (not including authors' information.) It is recommended to use a computer-generated, Times New Roman, 10-point font, with single line spacing.

Authors are strongly advised to ensure the accuracy of the submitted abstracts. Any mistakes in literature or in scientific facts will be published as what is typed. Abstracts will be reproduced exactly as submitted.

Abstract categories:
- Atrial Fibrillation (Ablation)
- Atrial Fibrillation (Drug & Device)
- Ablation - VT/SVT
- Bradycardia Pacing
- Case Reports or Series
- ECG: Classic, Complex and Unknown
- Heart Failure & Remote Patient Monitoring
- Sudden Cardiac Death
