MESSAGE FROM THE ORGANISING CHAIRMAN OF NHAM CONGRESS 2020

It is with the great pleasure and a distinct honour for me to welcome you to the NHAM Congress 2020.

NHAM Congress is designed to meet the specific educational needs of all medical practitioners involved in cardiovascular management. The symposia cover updates, guidelines and case-based discussion from general medical, cardiology to subspecialised cardiology. Due last year overwhelming response, GP case-based discussion and FIT jeopardy competition will be continued. One of the highlights of NHAM this year is Skill Station where certain procedural technique such as pericardiocentesis and etc will be taught by the experts. NHAM Congress is always blessed to host the many esteemed international faculties as well as local experts in this meeting!

Apart from being a solid platform for knowledge sharing, NHAM is also a warm venue for professional networking, friendship development and potential collaborations.

I look forward to welcoming you to NHAM Congress 2020 next year in Kuala Lumpur!

Dr. CHONG Jen Lim
