Credentialing Application Processes

In order for a candidate to be awarded a credential, he or she must submit a completed application form (Appendix 5) together with all required documents and the processing fee to the Secretary of the *Cardiovascular Technologist Credentialing Council*. He or she must be practicing in the cardiovascular technology field at the time of application.

For candidates who fulfill prerequisite **no. 1**, application can be submitted immediately after graduation.

Candidates with prerequisite **no 6** are advised to submit their credentialing application as early as possible. This credentialing pathway will be abolished after 31st December 2023.

The credentialing process will take 2 to 3 months from date the application is received, subject to the completeness of the documents.

Cardiovascular Technology Credentialing Council Members includes

- a. NHAM President
- b. Chairman MSCVT (Secretary)
- c. 1 CVT representative from IJN
- d. 1 CVT representative from university hospitals
- e. 1 CVT representative from private sector
- f. 2 CVTs representatives from MOH hospitals

The role of the Credentialing Council

- 1) To review the credentialing qualification prerequisites from time to time, when necessary.
- 2) To review and approve the credentialing application.
- 3) To remove the credential awarded to CVTs found to have submitted falsified documents.

All documents should be sent to:
